Cookie-Based Marketing

Like most companies, we partner with third parties to manage our marketing of Dreamind on other platforms, where such advertising is based on your past visits to our website. These third party partners may use technologies, such as cookies, to gather information about your activities on the Dreamind website or mobile applications to deliver such advertising to you when you visit their platforms. For instance, if you visit <https://dreamind.app>, a cookie may be attached to your browser that allows Dreamind to deliver advertising to you on social media platform.

Dreamind does NOT use cookies so that third parties can serve ads to you about their own products or services.

Do Not Engage in Cookie-Based Marketing

You can opt-out of the above-referenced cookie-based retargeting by visiting the [Dreamind Cookie Policy](#) and clicking 'opt-out' at the bottom of the page. Doing so will erase all current marketing cookies and disable the placement of future marketing cookies.
